

June 17, 2020
Project 16-1370 A

**PROJECT UPDATE
ROAD PAVING - DELAYED
KING STREET AND CREDITVIEW ROAD
TOWN OF CALEDON**

What are we doing?

- Final paving of both King Street and Creditview Road as a result of watermain installation.

When?

- Due to scheduling issues, we have had to defer paving operations by a week.
- Paving is now scheduled to begin this coming week (June 22, 2020) and should be completed by the end of the week. As work depends on the weather, these dates may change.

What does this mean for you?

- Please make sure that the road is cleared of vehicles by 7 a.m.
- You may not have access to your driveway for a short time, but our contractor will work with you to minimize disruptions.
- **Please do not park on the road during the above dates.**

We appreciate your co-operation during the completion of work and apologize in advance for any inconvenience.

If you have any questions, please call me at 905-866-8588.

Thank you!
