Project 16-2905, Assignment 9 / 21-1310N

## PROJECT UPDATE

### WATERMAIN AND FORCEMAIN REPLACEMENT AND IMPROVEMENT BRIDGESTONE LANE AND CATCAY COURT CITY OF MISSISSAUGA

#### Update

- The new watermains on Bridgestone Lane and Catcay Court have now been installed. The next phase is to commission the watermains and put them into service. Properties on these streets will now have their individual water lines transferred from the old watermains to the new watermains.
- A new water service line will be brought up to the property line where a new water service box will also be installed. Where possible your water line will be brought up to the property line using trenchless methods. However, **the area around the water service box will be excavated.**

A larger, interactive version of this picture can be found at [peelregion.ca/pw/water/rates/waterbills/yourhome/responsibilities.htm](https://peelregion.ca/pw/water/rates/waterbills/yourhome/responsibilities.htm)

#### When?

- We expect to start work on or about August 16, 2021.
- We will start restoring the road when all water system replacements and transfers are complete, and as weather permits.

### Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Lyle LeDrew	Project Manager	905-791-7800, ext. 7836
Solomon Gyabaah	Inspector	905-791-7800, ext. 3246
Sam Rabito Construction Ltd.		
Sam Rabito will do the work, under contract to the Region of Peel		
Contact Person	Responsibilities	Telephone Number
Corey Luciano	Project Manager	1-905-642-2425

### Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.

### Interrupting Your Water Supply

- It is our goal to let you know 48 hours (2 days) in advance if we plan to shut off your water for an **extended period** (several hours). Occasionally, we may have to reduce this notice to 24 hours.
- On the day we connect your water service to the new watermain, the contractor will let you know that your water will be shut off for a **brief period**. This will ensure proper notification for short duration works.
- If we must shut off your water because of an emergency, we will do everything we can to fix the problem as quickly as possible.

### Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- Please call the project manager or inspector if you have any concerns or special needs.

Thank you!

Lyle LeDrew.  
Project Manager

Cc: Councillor K. Ras

### Construction statement regarding COVID-19

Critical infrastructure construction is an essential service. We're keeping employees, contractors and the community safe by complying with [provincial guidelines](#), physical distancing, using personal protective equipment, and adjusting work schedules and shifts.

Construction project updates can be found at [peelregion.ca/construction](https://peelregion.ca/construction).

Follow [Peel Public Works on Twitter](#) for service updates and changes.

**This notice was first issued on August 11, 2021**
