- The Region's contractor will be proceeding with saw-cutting your driveway on June 11, 2021. This is to accommodate the installation of a temporary watermain on Chippewa Trail and Kawartha Crescent.
- A temporary water service will be installed to supply your home with water. We may need to enter your backyard to install the temporary water service.

Contractor and working hours

- This work will be performed by Vic's Group Inc. under contract to the Region of Peel.
- This contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with the local municipality's bylaws. We understand this may cause some inconvenience, but a shorter working day would mean the project would take longer to complete.
